GOVERNMENT OF INDIA
COMMERCE AND INDUSTRY
LOK SABHA

UNSTARRED QUESTION NO:4130
ANSWERED ON:14.12.2001
INDUSTRIAL GROWTH CENTRES
ALE NARENDRA;VINAY KUMAR SORAKE;VSM (RETD.) COL. CHOUDHARY

Will the Minister of COMMERCE AND INDUSTRY be pleased to state:

(a) whether all the Growth Centres sanctioned by the Government were scheduled to be completed by the end of March, 1997;

(b) if so, the details of Growth Centres which have been completed and have started functioning ;

(c) the total amount released by Union the Government in respect of each growth centre and the amount spent by State Government as their share on these growth centres;

(d) whether the objective of Government's scheme "Industrialisation of Industrially backward areas" could not be achieved due to non-completion / functioning of sanctioned growth centres in scheduled time;

(e) if so, the reasons for not completion of these growth centres within the stipulated time;

(f) whether CAG has also made some observations in this matter;

(g) if so, the details thereof;

(h) the measures being taken by the Government to get these growth centres completed and start functioning at the earliest;

(i) whether the Government have given up the growth centre scheme; and

(j) if so, the reasons therefor?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF COMMERCE AND INDUSTRY(DR. RAMAN SINGH)

(a) to (e) : The growth centre Scheme was launched in the year 1991 with a view to develop the industrially backward areas in the country.

The Committee headed by the Secretary (Planning Commission) had identified 71 Growth Centres (list enclosed at Annexure-I), in the country. 68 growth centres have been sanctioned and are in various stages of implementation. The scheme envisages investment to the extent of Rs. 25-30 crores for creating infrastructure facilities like water supply, drainage, electricity, banks, telecommunication etc.

The contribution from the Central Government has been limited to Rs.10 Crores per growth centre except for North Eastern Regions, wherein Rs.15 Crores have been provided.

Out of 68 growth centres sanctioned by the Central Government, 36 growth centres have become functional (list enclosed at Annexure-II) i.e. the allotment of developed plots have already commenced.The status of the remaining growth centres, i.e. 32 is placed at Annexure-III. These are at various stages of development including land acquisition.The details of the amount released for each growth centre are at Annexure-IV.

As the scheme envisages development of industrially backward areas, the scheme has inherent constraints in terms of land acquisition, cost of development and lack of demand for developed plots.

(f) to (h) In their Audit Report, the C&AG had pointed about, inter-alia slow progress of implementation of the Growth Centre Scheme. The Government of India has taken adequate measures for expeditious implementation of the Scheme as a result of which the progress of development of Growth Centres has picked up considerably.

In the recent past, the Government has taken measures like releasing the funds directly to the implementing agency, permission to shift the location within the industrially backward identified locations, splitting of the locations and constant monitoring and follow up. As a result, the number of functioning growth centres have gone up from 27 to 36 in the last one year (from November, 2000 to November 2001). Similarly, the actual investment by the Central and State Governments have gone up from Rs. 883.99 crore in November 2000 to Rs 1033.31crore in November 2001. The actual investment due to the above measures were responsible for

attracting private investment to the extent of Rs.198 crore in this period and also it has resulted in creation of additional employment of 2657 persons. Therefore, the Government has recommended for continuing the scheme and completion of the remaining growth centres during the Tenth Five Year Plan Period.

(i) No Sir

(j) Does not arise.
